Congratulations to Ciarán Ó Buacháin (5th Year) on being selected to play for Munster u18's. Ciarán recently took part in a tournament in the University of Limerick where he helped his province secure the 'UL Trophy' by beating Connacht u18's on a scoreline of 21-12. Ciarán is hoping to take part in an Inter-Provincial tournament in September/October of this year with Munster. Ciarán also plays with both his local rugby club Ballincollig RFC and the school rugby team in Coláiste Choilm.
