Thank you so much to all who supported Ballincollig Darkness Into Light 2017. We raised an incredible €52,768.51. The walk which began and ended in Coláiste Choilm, was a wonderful show of community spirit as so many came togethter to show their support for Pieta House. Whether you took part in registration, poured tea, ran, walked or supported in any way on the morning of May 6th last....THANK YOU.
