Coláiste Choilm recently won the Aidan Ross Memorial Cup, which was held in Dunmanway RFC on Thursday the 28th of April. The school entered two teams into the competition as the sport is growing in popularity amongst our students.

Our 'A' side beat Clonakilty Community School in a dramatic final. A great team effort was produced by the players throughout the tournament. Pictured below being presented the cup is team captain Ciaran Bohane (who currently plays with Ballincollig RFC and is involved with Munster RFC at underage).
