Comhgairdeachas le Colm Ó hIcí ón 6ú bliain Ghaelcholáiste Choilm a bhain an dara áit amach go náisiúnta sa chomórtas "Call to Code 2015" a d'eagraigh Google. Colm was one of 20 students nationally who qualified via round one to attend Google HQ in Dublin to take part in the "Google Call To Code" competition on Wednesday 9th Dec.
Colm was against the clock to complete logic puzzles and coding challenges and we are delighted he achieved 2nd place nationally winning a tablet in the process which was presented to him at Google HQ in Dublin by the Minister for Education and Skills Jan O' Sullivan.
